

Business Opportunities

Baw Baw Shire is one of Victoria's fastest growing municipalities and is already home to a number of innovative, industry leading businesses, exporters and domestic businesses that use Baw Baw Shire's location and/or natural resources to their advantage.

If you are interested in establishing, expanding or relocating your business to Baw Baw Shire, there are many ways Baw Baw Shire Council can help.

Supporting Your Business

Council is committed to assisting potential business owners and entrepreneurs in establishing, building and growing their businesses within the Shire. The Economic Development Team at Baw Baw Council is well-placed to support business ventures, having many years' experience running their own businesses and working in the economic development field more broadly.

We also provide a broad range of support services for projects that promote economic development in the Shire. These including: our events calendar, workshops and training, advocacy and up-to-date statistical information to get you started.

More information about these events can be found on [our website](#).

Development Consultations

Baw Baw Shire Council's Economic Development Team works in collaboration with your business to work through any statutory planning requirements to make business and planning in the early stages as easy as possible.

In some cases, we may also be able to assist you in identifying and applying for any relevant Victorian or Australian Government business assistance grants or programs.

For further information contact the Economic Development Team on 5624 2411 or visit the Business section on Council's website.
