## Local Shopping and Produce

Baw Baw Shire has a range of shopping options with produce and products available from both local producers in the Shire and beyond.

Baw Baw's major townships of Warragul and Drouin provide a wide selection of boutique shops, as well as department stores, supermarkets and popular franchises.

Our smaller townships of Yarragon and Trafalgar provide for a more intimate shopping experience, with many unusual and unique offerings. Neerim South and Jindivick are waiting to be explored and offer up a range of arts and local produce.

### Enjoy Local Produce

Baw Baw Shire has a healthy orchard industry where apples, stone fruits, olives, honey and a wide range of berries are plentiful, as are locally grown vegetables including potatoes, tomatoes and asparagus. You can purchase local produce to take home from speciality shops spread across the region or from one of our many Farmers' Markets.

To find a local farmers' market near you visit Council's Events Calendar.

### Eating Out in Baw Baw Shire

There are a range of dining options available in Baw Baw Shire with a style of eatery to suit every occasion.

With a number of alfresco cafes and fine dining restaurants all using more local produce – compliments of the hard-working local chefs.

If you are chasing an authentic and all-inclusive dining experience then one of Baw Baw Shire's many country pubs are a great place to have a memorable night out with good company where with roaring open fires and hearty pub meals.

### West Gippsland Wine Trail

The Gippsland region is well known for its local wineries and Baw Baw Shire is home to a number of renowned producers.

The West Gippsland Wine Trail spans across the Shire with local wineries in Warragul and Drouin.

Often the winemakers are on hand to discuss the production of their wines, and to help guide you on a wine tasting adventure.
