

Keeping Tidy at Council

Waste Collection

Our kerbside collection service is provided by our contractor Solo Resource Recovery to all households in townships and some properties in the rural areas.

Your bin collection days can be found on Council's online [Near Me map](#).

Recycling and waste guides are sent to residents in August annually, and includes recycling and green organics calendars. If you would like to request a guide contact Customer Service on 5624 2411.

Other waste and recycling programs for residents and the farming community include:

- DrumMuster Container Collection
- Waste Oil Collection
- Electronic Waste Collection
- ChemClear Chemical Collection
- Free Household Chemical Collection – Detox your Home
- Recycling of Fluorescent Tubes and Incandescent Lamps
- Worm Farm and Compost Bins rebate

Report a Bin or Request Additional Bins

Damaged or stolen bins will be replaced free of charge. Contact Solo Resource Recovery on 5633 2009 to report a missing bin.

Property owners needing additional rubbish, recycling or green organics bins can request these for an additional cost by contacting Customer Service on 5624 2411.

Transfer Stations/ Tip Information

Council operates four transfer stations, commonly known as tips, for our residents.

Ratepayers receive two hard waste vouchers included with their annual rate notice or new residents can apply through Customer Service. These vouchers are for the free disposal of up to two cubic metres of hard waste.

Payments made at the transfer stations must be made in cash to the attendant (cheques are not acceptable). EFTPOS facilities are only available at Lardner Transfer Station.
