

Community Update

Bunyip Complex Fire

Edition 6 (03/05/2019) valid until 7 June 2019

What is Council doing / What is Council's Role?

- Council is continuing to work with the emergency service agencies to prepare long-term Recovery Plans for the region.
- Council is preparing a recovery community engagement strategy which will be publicly available.
- Council Officers are available to assist residents impacted to connect with the support they need to help with cleaning up and removal of waste.
- Council is strongly recommending to all community groups and associations within fire affected communities to apply for a Community Development Grant. This round of Community Development Grants close on **10 May 2019**.

Community Support

- Information contained below may be of use to yourself or your family members and friends. Concerns may become apparent quickly, or at any time after the event.
- Case support workers are available to work with individuals by helping them navigate the various support services available including:
 - Financial assistance;
 - Mental health services and Family violence supports;
 - Services for repairing and rebuilding damaged properties and re-establishing livelihoods.
- To access the service, contact council or call **1800 560 760**.
- Further Information relating to the case management can be found via <http://www.emergency.vic.gov.au/relief>
- Community recovery fact sheets are available from the Council website via <http://www.bawbawshire.vic.gov.au/CommunityBushfireUpdate>
- A short video on how you can help yourself to recover can be found via <https://youtu.be/ia4ZU-KksyY>
- The better health channel has bushfire information that can be found via www.betterhealth.vic.gov.au

Community Update

Clean Up

- A State Government Clean up program has been announced to support all the residents who were impacted by the devastating bushfires.
- **Uninsured property owners**
 - Property owners who wish to register interest in participating in the clean-up program are able to call **1300 199 048** Monday to Friday 8am to 6pm and register their details.
- **Insured property owners**
 - Impacted property owners with insurance will already have been working with their insurers to identify clean-up needs and engage contractors. If you have not already been in contact with your insurance provider, you should do so now.
 - Insurers of impacted property owners are invited to participate in the clean-up program.
 - The state coordinated clean-up does not stop or delay these activities and works – it is intended to coordinate activities for those who are not covered by insurance.

Community Update

Bunyip Complex Fire

Edition 6 (03/05/2019) valid until 7 June 2019

- Keeping safe and avoiding risks:
 - Emergency service agencies continue works to make fire impacted areas safe.
 - Residents who have properties that have been damaged or destroyed and are planning to start cleaning up are encouraged to read the associated fact sheets published by the Department of Health and Human Services. Information can be found via <https://www2.health.vic.gov.au/emergencies/emergency-type/natural-disasters/bushfire-factsheets>
- Treated timber ash
 - Ash from burnt timbers that have been treated with copper chrome arsenate (CCA) is a danger to people and animals.
- More information is available on the Better Health Channel
<https://www.betterhealth.vic.gov.au/health/HealthyLiving/copper-chrome-arsenic-cca-treated-timber>
- Asbestos risk
 - Asbestos material has been found on some properties. Residents need to be aware of the risks of asbestos.
 - Residents must ensure that a suitably qualified and licensed person undertakes the clean-up, removal and disposal of asbestos.
 - Information from the Environment Protection Authority regarding to asbestos can be found via <https://www.epa.vic.gov.au/our-work/environmental-public-health/environmental-health-in-the-home/asbestos-in-the-home>

Roads

- There are no closed Baw Baw Shire Council roads due to the Bunyip fire. A full list of closures can be found on the VicRoads website www.vicroads.vic.gov.au

Water (Dam)

- Property owners have until **2 June 2019** to apply to Department of Environment, Land, Water and Planning for replacement of Essential water.
- Property owners who have had water taken from dams or other structures for fire-
