

National Tree Day

Sunday 30 July from 10:00am to 2:00pm

Baw Baw Shire Council is hosting a National Tree Day activity in Brooker Park, Warragul. This is an important location as it runs along Hazel Creek and provides habitat for several threatened species.

We are aiming to revegetate the area to improve habitat, water quality and to increase biodiversity. This planting will add to the revegetation works undertaken over the past two years.

Barbeque provided—Please bring your own gloves

The site is between the Warragul North Tennis Courts and St Pauls Anglican Grammar School Senior Gym at 150 Bowen Street, Warragul.

RSVP to: Karla Rutherford 5624 2531 or
