What is the Council Budget?

The Annual Budget is an integral part of Council's overall strategic planning framework. It endeavours to allocate the resources needed, over a 12 month period, to achieve the goals and directions that have been established in the Council Plan 2017-2021.

The 2018/19 Annual Budget focuses on delivering quality services to the community through a combination of existing programs, new initiatives and capital works.

The Annual Budget also includes information about the rates and charges to be levied, the human resources required, and other financial information.

Engagement Timeline
