Encouraging further learning in Baw Baw

Baw Baw Shire Council's Education Sponsorship aims to encourage students in Year 9 and over (or aged between 15 –21 years) in their preferred education pathway by supporting local education providers with an opportunity to recognise and acknowledge attributes and effort.

Nominees will be outstanding in two or more of these qualities:

- Authentic
- Pragmatic
- Respectful
- Optimistic
- Supportive

Education Sponsorship is a stream of Council's Community Financial Assistance Program that has invested over \$600,000 in 2019/20. It supports local secondary- and pathway-education providers to recognise and financially award students who meet the eligibility criteria.

Students in mainstream, specialist or pathway education are eligible for nomination. Education providers may apply for a second award for an Aboriginal and/or Torres Strait Islander student who meets the same criteria.
