

Recycling and Waste Guide.

2024/25

Small acts make a big impact.

Be your street's bin-fluencer and never miss a bin night again!

Introducing the Purple-Lidded Glass Recycling Bin.

See inside for details.

GENERAL RUBBISH (weekly)

Use this bin only for items that can't be reused or recycled.

✓ Yes

- ✓ Broken glassware, crockery and mirrors
- ✓ Nappies, wet wipes, kitty litter, animal droppings
- ✓ Food and vegetable scraps, meat, dairy, seafood & egg shells
- ✓ Plastic lids and corks, pumps, sprays, droppers

✗ No

- ✗ Electronic waste
- ✗ Batteries
- ✗ Green organics
- ✗ Household chemicals
- ✗ Building materials

MIXED RECYCLING (fortnightly)

All items must be loose and lightly rinsed.

✓ Yes

- ✓ Accepted plastic bottles & containers
- ✓ Aluminium and steel tins, cans, foil, metal lids
- ✓ Cardboard, cereal boxes, egg cartons
- ✓ Paper, newspapers, magazines, paper envelopes

✗ No

- ✗ Bagged recyclables - must be loose
- ✗ Soft plastics
- ✗ Take away coffee cups
- ✗ Polystyrene

GARDEN ORGANICS (fortnightly)

Garden clippings only. Put your garden waste into the bin loose, not in bags.

✓ Yes

- ✓ Small branches
- ✓ Ivy
- ✓ Leaves
- ✓ Twigs
- ✓ Plants
- ✓ Grass clippings, weeds

✗ No

- ✗ Plastic bags
- ✗ Animal droppings
- ✗ Large branches
- ✗ Tree stumps
- ✗ Food scraps
- ✗ Building materials, ie. bricks

GLASS RECYCLING (every four weeks)

Put lightly rinsed, empty glass bottles and jars into the bin loose, not in bags. Please remove all lids.

✓ Yes

- ✓ Glass bottles including beer, wine and olive oil bottles
- ✓ Glass jars including pasta sauce and condiment jars
- ✓ Glass bottles and jars for medicine or toiletries

✗ No

- ✗ Plastic bags
- ✗ Bottle or jar lids
- ✗ Window glass
- ✗ Crockery ie. plates, drinking glasses

DO NOT PUT IN ANY BIN!

- Liquid waste of any kind
- Asbestos
- Toxic, chemical or hazardous waste
- Oil, paint or solvents
- Vehicle or engine parts inc. tyres
- E-waste inc. all batteries
- Hot ashes
- Medical waste or syringes
- Construction, demolition, or trade wastes of any kind

LITTERING AND ILLEGAL DUMPING.

Illegal dumping of waste or littering can cause significant environmental issues including contaminating land, polluting waterways, increasing the risk of fire and causing harm to local wildlife and their habitats. Cleaning up dumped litter and prosecuting offenders costs the community thousands of dollars each year.

Offenders can be issued with significant fines and/or imprisonment, if prosecuted, under the Environment Protection Act 2017.

If you witness someone dumping waste or littering or have come across dumped waste, please report it to Council on 1300 229 229 or the EPA Hotline on 1300 372 842.

TEXTILE RECYCLING

Council provides textile recycling at selected transfer stations in Baw Baw Shire. Residents have the option to recycle acceptable unwanted textile items such as clothing, shoes, underwear, hats, belts, handbags and backpacks, bed linen, towels and soft toys (without batteries), by placing them in the free textile recovery bins at Lardner and Trafalgar transfer stations during opening hours. Visit Council's website for further details.

HOME COMPOSTING

Composting is a great way to recycle naturally and helps reduce waste going to landfill. Council offers a rebate to ratepayers for 100% of the cost of a compost bin and worm farm up to \$100 (conditions apply). Application forms on Council's website.

E-WASTE & X-RAYS

E-waste and old X-rays contain valuable resources **and must not** be placed in the kerbside rubbish.

E-waste refers to any unwanted electronic item with a plug, battery or cord including computers and office equipment, mobile phones, TV's, microwaves, power tools and light bulbs.

You can dispose of e-waste free of charge at Council's transfer stations and small e-waste items (such as batteries) and old x-rays can be disposed of at our Drouin Customer Service Centre.

Remember: do not dispose of batteries in kerbside bins, as they can explode or cause fires.

HARD WASTE COLLECTION

Free 'at call' kerbside collection

Please call WM Waste Management Services on 1800 969 278 or visit www.hardrubbishmelbourne.com.au/baw-baw to book.

Residents can book one free annual 'at call' kerbside collection per financial year of up to 2 cubic metres of hard waste placed on your nature strip (conditions apply). This service is available to all residential households who have a kerbside general rubbish collection service (includes homeowners and tenants). Commercial, industrial, and vacant land is excluded.

Free do it yourself transfer station drop off

Residents can exchange their free kerbside hard waste collection for a free 'do it yourself' transfer station drop off of up to 2 cubic metres of hard waste or garden organics. This offer is also available to residents without a kerbside general rubbish collection service. To book a free 'do it yourself' transfer station drop off please call WM Waste Management Services on 1800 969 278 who manage these bookings.

Paid additional hard waste collection service

Residents can also book an 'at call' paid hard waste collection once per financial year. Bookings can be made by calling Council's Customer Service Centre during business hours on 1300 229 229 (conditions apply). See Council's website for details and costs.

What happens to my hard waste?

Hard waste is collected by our contractor WM Waste Management Services using a rear loading compactor truck and taken to Knox Transfer Station for sorting and recycling of suitable items.

If you think any of your hard waste can be reused, repurposed, or resold, please consider the options before making your booking.

For more information on e-waste, recycling and waste services, please visit Council's website: www.bawbawshire.vic.gov.au or call: 1300 229 229

KEEP BATTERIES OUT OF BINS!

They're a dangerous fire risk.

Batteries can cause fires and it's illegal to put e-waste and batteries in landfill.

Free hard waste collection or transfer station drop off.

♦ All non-sharp household medical and personal hygiene waste should be placed in your kerbside bin in a sealed bag.

▲ Must be clean and in good working order

* Not accepted

** Free of asbestos

■ E-waste is accepted free

DID YOU KNOW?

Symbols on packaging can be confusing. They don't always indicate whether the item can go in your mixed recycling bin.

It's important to check what Council accepts for recycling in the A-Z Guide, or in Council's Waste App or on its website.

PLEASE CONTACT SOLO OR THE TRANSFER STATIONS FOR CONFIRMATION ON ANY ITEMS (SEE BACK PAGE FOR CONTACT NUMBERS).

THE CORRECT WAY TO PLACE YOUR BINS FOR COLLECTION

- Place bins on the nature strip before 6am on collection day.
- Leave 50cm between bins and have the wheels facing your property.
- Keep bins clear of obstructions including trees, cars and light poles.
- The 240L (big) bin should be placed so that it can be emptied first (traffic approach side).
- The lid needs to be closed, and the bin should weigh no more than 75kg.
- Commercial bins in Central Business Districts (CBD's) must only be placed by the kerb between 4pm the day prior to collection and 10am on the day of collection.

TRANSFER STATION HOURS AND LOCATIONS

Lardner Transfer Station, Simpson Road, Lardner - 03 5626 1399
Operating times: Open every day, 10am-4pm.

Trafalgar Transfer Station, Giles Road, Trafalgar - 0407 505 108
Operating times: Saturday, Sunday and Monday, 10am-4pm.

Neerim South Transfer Station, Neerim East Road, Neerim South - 0438 281 444
Operating times: Friday and Sunday, 10am-4pm.

Erica Transfer Station, Mathiesons Road, Erica - 0400 251 620
Operating times: Monday, Wednesday and Sunday, 12pm-4pm.

Trash to Treasure shops are located at Lardner, Trafalgar and Erica Transfer Stations

Note: Commercial building waste, including concrete, bricks and tiles are not accepted at the transfer stations. Waste loads over 3 cubic metres are also not accepted.

Transfer stations are closed on Christmas Day, Boxing Day, New Year's Day and Good Friday.
