

Recyclables

Did you know you can dispose of a whole range of recyclable goods at transfer stations free of charge? We want to support our community to recycle more and accept the following without cost.

E-Waste Any items with a battery or cord including computers, mobile phones, microwaves and hair dryers.

Metal White goods, air conditioners and scrap metal such as roofing and gutters. Conditions apply.

Glass Brown, green and white bottles and jars (food and drink only). No windows.

Plastic Bottles and containers (recycling codes 1 to 2 accepted with lids removed). Soft plastics (generally codes 3-7) are recycled at supermarkets participating in the REDcycle program.

Aluminium Cans and foils free from contamination.

Paper and Cardboard Household paper such as newspaper, cardboard, boxes and milk cartons.

Automotive Oils and Batteries Motor oils up to 20 litres and car/truck batteries only. No engine coolant, flammable liquids and cooking waste oils.

Please ensure all recyclable goods are clean (contamination free) and do not contain any other type of waste to ensure they are accepted free of charge.
