COURAGE TO CARE EXHIBITION PROGRAM
Monday 24 July – Thursday 3 August 2017
Warragul Regional College, 55 Burke Street, Warragul

Over the past 25 years, close to 150,000 Victorians have encountered a life-changing experience.

In a program employing the Holocaust as context to the extraordinary acts of ordinary people known as the Righteous Among the Nations, Victorians learn about the consequences of unfettered racism, prejudice and bullying, and are empowered to be Upstanders for human rights.

The program is a travelling educational exhibition developed and delivered throughout Victoria by a team of trained volunteers.
