

Early input Council Plan, Budget and Infrastructure Plan for 2020/21

Image: Neerim Junction

We're asking for early community input to help shape the 2020/21 Council Plan, Budget and Infrastructure Delivery Plan.

The information you provide now will guide the early development of these key strategic documents that allow Council to plan services and delivery of things like roads, footpaths, recreation and community facilities.

Our mission is to be leaders in delivering quality, innovative and community focused services today that make a difference for tomorrow.

We have prepared a short survey to gauge what the key priority areas for our community.

This survey is open until **Friday 13 December 2019**.

All information gathered during this period will help shape the draft Council Plan, Budget and Infrastructure Plan for 2020/21.

There will be another opportunity for the community review and provide further feedback on these draft documents during April 2020.

Tell us your feedback

What happens next?

Thank you for taking the time to provide your feedback. Your thoughts and ideas are highly valued and will ultimately form part of Council's decision making. Council Officers will consolidate comments and feedback and consider all submissions to assist in developing the draft documents. All forms, submissions and correspondence will be acknowledged either by email or letter so that you know your comments have been received.
