

Have your say

Tree Inspection Policy and Guidelines

Council's draft Tree Inspection Policy and Tree Inspection Guidelines outline the systematic and quantifiable approach for the management and maintenance of trees and - from a public safety perspective - outlines the basis for responding to customer enquiries.

Prior to further consideration by Council, the community is invited to share their thoughts on the draft Policy and Guidelines.

Feedback collated from the community through this Have Your Say process will be collated and presented to Council in early 2021.

This consultation opportunity is open until Sunday 13 December 2020.

To view the draft Policy and Guidelines, along with an online version of this survey, visit www.bawbawshire.vic.gov.au/HaveYourSay
