

Howard Park playground renewal

Baw Baw Shire Council is planning to renew the play space at Howard Park in Yarragon, with works planned to begin in early-mid 2021.

To make sure the renewal is in line with community expectation, we're asking all interested community members to have their say on initial designs by **Sunday 6 December 2020**.

Using the form below you are invited to have you say on the what you'd like to see included in the renewal of the play space at Howard Park in Yarragon, with consideration to an overall budget of \$75,000.

Following Phase 1 consultation, and based on the feedback received, Council will undertake the second phase of consultation in early 2021, presenting three potential designs for community consideration and approval.

With a design selected, the project will move the third and final phase, with works planned to be undertaken in early-mid 2021.
