

# Expression of Interest 2018 for landholders in the Tarago Catchment

In collaboration with Melbourne Water, incentives are currently available from Baw Baw Shire Council for landholders in the Tarago Catchment to help maintain their septic systems.

If you would like to apply, simply fill out your name and contact details, answer the following questions and return this form via email to [health@bawbawshire.vic.gov.au](mailto:health@bawbawshire.vic.gov.au), in person at our Customer Service Centres in Drouin and Warragul, or by post to PO Box 304, Warragul, VIC 3820. We will contact you again in early June.

Do you need assistance to upgrade or replace your septic tank system? Please circle Yes or No.	Yes	No
Do you have a preferred contractor for pump outs? Please circle Yes or No.	Yes	No

## Quick tips for good septic health:

- ☺ Have your septic tank professionally desludged (pumped out) every three years.
- ☺ Avoid non-biodegradable chemicals like paints, solvents, oils, bleaches and pesticides entering your toilet as they can destroy the helpful bacteria in your septic.
- ☺ Small plants and shrubs are okay to plant but avoid planting large trees over absorption or sand filter areas as they can crack pipes.
