

Accessibility Compliance

Council recognises documents created prior to 31 December 2015 as Legacy Documents with regard to compliance with the Web Content Accessibility Guidelines (WCAG) 2.0, also commonly referred to as AA Accessibility Guidelines.

Whilst every effort has been made to ensure Council's public documents are accessible and compliant with WCAG 2.0, some documents cannot be converted to completely adhere to these guidelines without undue burden. This may include documents that were not created by Council or directly supplied to Council in an electronic format, as well as any documents that are subject to frequent and substantial changes.

However, Council will upon request convert any Legacy Document to comply with WCAG 2.0 standards. In such cases, Council appreciates your patience, as this process can be lengthy depending on the complexity of the document, and may take some time.

To request conversion of a Legacy Document to comply with WCAG 2.0, you can:

- Email bawbaw@bawbawshire.vic.gov.au
- Send an online enquiry at www.bawbawshire.vic.gov.au/contact-us
- Call the Community Information and Service team on 5624 2411
- Visit a Customer Service Centre.

You will need to provide us with the full name and date (if known) of the Legacy Document.

Documents that were created from 1 January 2015 are currently being converted to comply with WCAG 2.0 and will be uploaded in due course.
