Additional Bins

Approximately 1 set of bins (1 waste and 1 recycling) are located on site in a locked storage cage behind the pavilion. The pavilion key unlocks the padlock.

If rubbish cannot be taken off site and additional bins are required, Solo can provide additional waste/recycling bins for \$72.70 (inc GST) per set**. In most cases these will be dropped off and collected on the same day but in some cases are dropped off the day before and collected the day after the event. Upon booking request, you must complete the checklist when completing your booking if any additional bins are to be ordered.

***This fee is charged and set by the Waste Management Contract. Pricing is subject to change. Please check with Council's Recreation Team for more details.*
