

Accessibility Compliance

Council recognises documents created prior to 31 December 2015 as Legacy Documents with regard to compliance with the Web Content Accessibility Guidelines (WCAG) 2.0, also commonly referred to as AA Accessibility Guidelines.

Whilst every effort has been made to ensure Council's public documents are accessible and compliant with WCAG 2.0, some documents cannot be converted to completely adhere to these guidelines without undue burden. This may include documents that were not created by Council or directly supplied to Council in an electronic format, as well as any documents that are subject to frequent and substantial changes.

However, Council will upon request convert any Legacy Document to comply with WCAG 2.0 standards. In such cases, Council appreciates your patience, as this process can be lengthy depending on the complexity of the document, and may take some time.

To request conversion of a Legacy Document to comply with WCAG 2.0, you can:

- Email bawbaw@bawbawshire.vic.gov.au
- Send an online enquiry at www.bawbawshire.vic.gov.au/contact-us
- Call the Community Information and Service team on 5624 2411
- Visit a Customer Service Centre.

You will need to provide us with the full name and date (if known) of the Legacy Document.

Documents that were created from 1 January 2015 are currently being converted to comply with WCAG 2.0 and will be uploaded in due course.

Additionally, some pages on Council's website include hyperlinks to external/other sites. Council does not accept responsibility or liability for the contents of any information or documents provided by external sites through these links, nor does it assume any legal responsibility for degree of accessibility or the accuracy, completeness, and usefulness of the information in the links.

Baw Baw National Park

There are many kilometres of walking tracks traversing pristine sub-alpine plant communities and unique landscapes. Be sure to wear strong footwear, pack a snack and carry water and a jacket. Be ready for sudden changes in the weather and always let someone know before you go.

Beech Gully Track

This walk provides an excellent introduction to the plants and wildlife of the Mountain Ash forests and cool temperate rainforests of the southern slopes of the Baw Baw's.

Mushroom Rocks

This popular walk along a section of the Australian Alps Walking Track leads to a maze of giant granite tors.

Mt St Gwinear Track

The walk to the summit of Mount St Gwinear winds through heathland and Snow Gum forest.

The magnificent views, stretching across the valleys of the Thomson and Aberfeldy Rivers and into the Victorian Alps, are a perfect reward.

Cycling and horse riding not permitted on walking tracks

Beech Gully Track: 400 m - 30 minutes return

Mushroom Rocks: 3 km - 2 hours return

Mt St Gwinear Track: 6 km - 3 hours return
