♦ All non-sharp household medical and personal hygiene waste should be placed in your kerbside bin in a sealed bag.

▲ Must be clean and in good working order

\* Not accepted

\*\* Free of asbestos

■ E-waste is accepted free

## DID YOU KNOW?

Symbols on packaging can be confusing. They don't always indicate whether the item can go in your mixed recycling bin.

It's important to check what Council accepts for recycling in the A-Z Guide, or in Council's Waste App or on its website.

**PLEASE CONTACT SOLO OR THE TRANSFER STATIONS FOR CONFIRMATION ON ANY ITEMS (SEE BACK PAGE FOR CONTACT NUMBERS).**
