

Commercial Garbage Application

A standard commercial garbage service consists of 1 x 120L general rubbish bin (emptied weekly) and 1 x 240L mixed recycling bin (emptied weekly).

The cost of a standard commercial garbage service for 2025/2026 is \$602.00. The charge will be placed on your rates over four quarterly instalments. Bin charges apply pro-rata from 1 July 2025 to 30 June 2026.

In addition to our standard commercial garbage service, we also offer a 240L commercial garbage service, which consists of 1 x 240L general rubbish bin (emptied weekly) and 1 x 240L mixed recycling bin (emptied weekly) at a cost of \$715.00. We also offer an optional 240L garden organics bin (emptied fortnightly) at a cost of \$104.00.

This application must be signed by the person/company responsible for paying the rates on the property.

APPLICANT DETAILS

Property Address (where bins will be delivered): Postal Address (if different from property address): Email: New Standard Commercial Service: This service consists of a 120L general rubbish bin and mixed recycling bin.
